The Vancouver Resource Investment Conference has been the epicentre of junior mining investment in Canada for 25 years and attracts over 5000 mining investors annually. Over 100 keynote speakers will take the stage to discuss commodity forecasts and investment opportunities in the exploration development and mining industries.

About Blende Silver Corp.

Blende Silver Corp. is a Vancouver-based junior resource company focused on silver-zinc-lead exploration and development at the company's flagship Blende Deposit in north-central Yukon. The 100% owned property is the largest carbonate-hosted Ag-Zn-Pb deposit in Yukon and one of the largest undeveloped Ag-Zn-Pb deposits in Western Canada. The Blende Deposit property is winter-road accessible, 5,345 ha and situated 63 km northeast of Keno Hill, Yukon. The property has had more than \$9.2M in past exploration (\$5.2M by Blende Silver); including 25,195 meters of drilling in 132 drillholes.
